Wilmington, DE 19801

Nursing Programs

The RN to BSN, the M.S. in Nursing Education and the M.S. in Nursing Administration programs at Empire State University are accredited by the **Commission on Collegiate Nursing Education** (<https://www.aacnnursing.org/About-AACN/>). The nursing curriculum is aligned to the American Association of Colleges of Nursing's (AACN) *The Essentials: Core Competencies for Professional Nursing Education* (2021), as well as the American Nurses Association *Standards of Professional Performance* (2021) and the National Academy of Medicine: *Future of Nursing* (2021) recommendations. Nursing students may complete general learning requirements via online or face-to-face courses at any regionally accredited institution. In addition, requirements can be met via assessment of prior learning, independent study and successful completion of selected examinations.

The Master of Business Administration in Business Management, Human Resource Management Concentration

The Society for Human Resources Management (SHRM) (<https://www.shrm.org/>) has acknowledged that SUNY Empire State University's MBA in Business Management with a specialization in Human Resource Management has received renewal of its alignment with SHRM's HR Curriculum Guidebook and Templates until December 2025. Throughout the world, 451 programs in 341 educational institutions have been acknowledged by SHRM as being in alignment with its suggested guides and templates. The HR Curriculum Guidebook and Templates were developed by SHRM to define the minimum HR content areas that should be studied by HR students at the undergraduate and graduate levels.

Master of Science in Finance

The Empire State University M.S. in Finance program well-positions students to obtain the Chartered Financial Analyst (CFA®) charter, which has become the most respected and recognized investment credential in the world. The M.S. in Finance program has been recognized by the CFA Institute (<https://www.cfainstitute.org>). The M.S. in Finance curriculum covers more than 70% of the CFA Program's Candidate Body of Knowledge® (CBOK), which is the gold standard for the financial investment industry. It also includes significant portions of the CFA Code of Ethics and Standards of Professional Conduct, the highest standards of financial professionals. The M.S. in Finance program offers a limited number of CFA Program student scholarships each academic year via the CFA Institute University Affiliation program (<https://www.cfainstitute.org/en/about/universities/university-affiliation/>)®.
