

STRATEGIC HIGHER EDUCATION LEADERSHIP, MICRO CREDENTIAL

This program will be available in the Spring 2026 term.

The Micro-credential in Strategic Higher Education Leadership is designed for aspiring leaders looking for an accelerated pathway to the skills needed for immediate career advancement. The program emphasizes the practical knowledge and skills needed to provide effective leadership in today's highly competitive post-secondary education environment. Special emphasis is given to honing students' ability to use data to guide institutional decision-making and operations. Program alumni will have the skills necessary to make significant contributions in the areas of strategic planning, budgeting, and continuous improvement at the department and institutional levels.

The required courses and suggested sequence are as follows:

Code	Title	Credits
EDHE 6031	Administration and Leadership in Higher Education	3
EDHE 6032	Economics and Finance in Higher Education	3
EDHE 6041	Strategic Leadership and Continuous Improvement in Higher Education (Fall 2026)	3

Upon successful completion of this program, students should be able to:

- Apply theories and principles of effective leadership to their leadership context.
- Utilize theories and principles of strategic leadership to engage in effective strategic planning.
- Develop an institutional financial plan.
