

POLICIES

This chapter contains the majority of policies relevant to undergraduate students. Policies and procedures related to developing a degree program and for awarding credit for prior learning (advanced standing) are included in the Student Degree Planning Guide (<https://www.sunyempire.edu/degree-planning-academic-review/degree-program/student-degree-planning-guide/>). Policies relevant to graduate students are included in the Graduate Catalog (<http://catalog.sunyempire.edu/graduate/>). Revisions to existing policies, as well as new policies and procedures may be written as needed.

While all policies in this catalog are current at the time of publication, the most current versions can be found on the university policy web site (<https://www.sunyempire.edu/policies/>).

Students are responsible for understanding and adhering to university policies. If you have questions, please contact your mentor or the coordinator of student services at your location or program.
